

THE VISIONS OF MODSSALON

Vision statement: is to be a salon with a world class standard and can be located in any part of the world. We do healthy, creative and trendy hair styles. we strive to become the best salon in the world by delivering on excellent service.

1. A salon where customers don't have to stress themselves.
2. It's a relaxing place
3. No noise
4. It's a busy place
5. People love coming here
6. We are trendy and we know all the trends happening world wide
7. We are world class company that can be located anywhere in the world
8. We are the best salon in the world.so we are constantly learning so no salon does better than us.
9. We do according to standards of the world
10. We are hygienic: we wash combs before using them for new customers, we wash our hands if we have to change customers.
11. We ensure that our environment is clean at all time.
12. We are friendly, constantly looking for ways to delight and amaze our customers.
13. We are always developing and doing better.
14. We have a huge online presence so we watch everything we do. bad review can close the salon up.
15. Customers like us so much they tell their friends and family.
